

Safety Huddles: Changing the Safety Culture through Daily Interaction with your Teams

BHHC's Sponsored Live Webinar for October

Held on Tuesday, October 24, 2023 at 9:00 AM PDT, presented by Steve Hamilton, ASP, BHHC Loss Control Supervisor.

The main goal of this session was to provide:

- Understand what a safety huddle is.
- Confidently identify name the benefits of a daily safety huddle and see the results.
- Gain insights into the applicable OSHA requirements on safety huddles based on your industry.

- Learn through examples and case studies.
- Leverage the opportunity to equip yourself with vital knowledge to protect your team.

We understand that schedules can sometimes be unpredictable. If you were not able to attend or would like to revisit the information shared, we are pleased to provide the recording in the video above.

We encourage you to share this valuable resource with your team and other colleagues in your organization to promote a safer work environment that utilizes safety huddles.

Your feedback is valuable to us.

Take a few minutes to complete our survey. If you have any questions or comments or want more information, please do not hesitate to contact us at LossControl@bhhc.com.

We appreciate your interest and participation and remain committed to providing informative and valuable resources to help manage workplace safety. Watch for future Loss Control safety webinars and updates from BHHC.
